Dear Business Owner,

My name is Cedric Foster - I'm the founder and director of Flawless Hoops, a registered non-profit proudly located in Sheboygan, WI.

We are a fully designated basketball program that offers affordable youth training, open gyms, and leagues. Basketball is the center of our outreach, but we strive to encourage positive opportunities for our members on and off the basketball court from athletic development to career building and youth guidance.

At Flawless Hoops, we provide mentoring, skill building, and team development with our programs. We instill a sense of community among all players and participants by creating a welcoming environment for everyone to experience. The opportunity to be a part of a team provides a sense of purpose and belonging to players. This is essential to those who may be missing such support in their personal lives. We also provide other important fundamentals such as: building self-esteem, promoting sportsmanship, encouraging education, dreams, and goals.

Mission Statement – Flawless Hoops will pave the way to opportunities that will shape individual lives for the better

We currently have over 750 Flawless Hoops members participating in our programs. As we continue to grow, we strive to provide our members with the best opportunities for success. Our programs are guided by dedicated volunteers. To maintain our programs, we build our revenue through program fees, proceeds from fundraisers, and donations from kind-hearted individuals and businesses.

To continue providing rewarding opportunities for our members and the Sheboygan community, we are reaching out to you and offering you the chance to help support our mission. We appreciate any type of contribution either monetary or through goods and services.

Thank you for your time and consideration.

Respectfully yours,

Cedric Foster
